Meteorologist's View

Fine conditions across the Lake District for much of the day with great views from higher ridges and summits. Also lighter winds compared with Saturday.

Forecast for Monday 13 Sep 2021

Weather: It will be a rather cloudy day with patchy drizzle, mist and hill fog. Some drier, brighter interludes will develop, especially over western fells.

Maximum wind: Fresh southeasterly winds with average speeds of 20 to 25mph on the tops.

Chance of cloud free mountain/hill tops above 800m: 40%, best in west of area.

Visibility: Extensive mist with occasionally poor visibility in more persistent drizzle, especially in south and east of National Park. Pockets of good visibility and higher cloud bases developing during the day, best over hills west of Windermere.

Temperature: **Valleys:** 10 Celsius rising to 16 Celsius.
At 800m: Plus 9 Celsius.
Freezing level: Staying above the tops.
